**Dikumintiyada muhiimka ah ee Xxxx Buug Gacmeedka Baadhitaanka Caruurta
"Alaab cusub oo lagu baadhayo qoraalada ID"**

Waalidka, masuulka qaaliga ahow,

In si joogto ah looga qaybgalo baadhitaanada xiliga hore waxay door muhiim ah ka ciyaartaa in uu ilmuhu caafimaad ku koro.

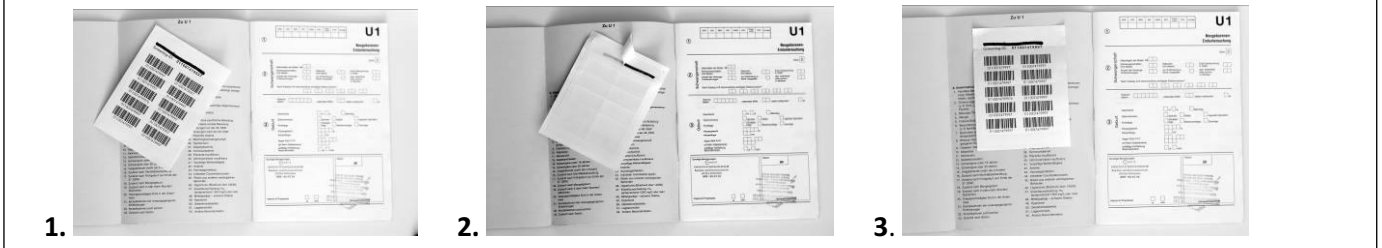

Anaga, Xafiiska dhexe ee qaabilsan arimaha casuumaadda iyo talo-bixinta, waxaan aruurinaa xogta la xiriirta ka qaybgalka baaritanada hore ee Baarliin. Si aan warbixinta ugu darno baadhitaanada la galay (**oo hadda ah UX**), Dhakhtarkaaga caruurta ee Baarliin wuxuu u baahanyahay in baadhitaanada aqoonsiga IDga lasoo raaciyo warqaddan.

Ma waxaad ka soo guurtay gobal kale?

Haddii ay horey u jirtay baadhitaano qoraallo ID, kuwaasoo leh lambar ka duwan Xxxx Buug Gacmeedka Baadhitaanka Caruurta, Fadlan xaqiiji in aad lambarkaas isaga ah noo soo sheegto. Tani waxay noo xaqiijin doontaa in ogaysiisyada kaqaybgalka si sax ah loo diro.

Warbixin dheeri ah ayaa waxaa laga heli karaa websaydkayaga iyo warbixintan lasoo lifaaqay ee waalidka.

Fadlan kula dhaji warqadda leebalka ah bogga koobaad dhiniciisa hore ee bug gacmeedka baadhitaanka caruurta ee "jaalaha ah".
